

MOUNTED PATROL
MINUTES FOR 4-27-99

OLD BUSINESS:

Great turnout for mock search. Ken attended the debriefing. We need better radios. Make sure to delegate who is to watch which side of the trail and be sure to check the back trail as well. The inspectors were real happy with the way we worked.

We need to start scheduling patrol riders for Capital Forest. Riders are needed during the week. Use of the radios and how to call in were gone over by Joe. Both first aid kits (horse and human) have some spare things in them. Question was raised about the Rails to Trails. Do we patrol that as well?

Don't forget the SAR convention in May. Many good classes offered. Registration is \$75.00 after May 1. They may have some equine classes as well.

NEW BUSINESS

We accepted Dave Williams's resignation. He will turn in his stuff to Tim. Shirts are being ordered from a different distributor. Should be able to pick them up in 2 or 3 weeks.

Tim will arrange for those of us who want to qualify for small arms to have a class with the range master. Should be on May 14, 1999 at the sheriff's office. All interested please attended.

Next meeting, May 25, 1999 in building 1.

Patty Mathews, secretary
