INTRODUCTIONS:

Karen from Special Olympics and Gordon Wohlfeil, regional director for the Special Olympics.

Gordon thanked everyone who participated in the trail ride and Karen talked about committee assignments and passed out a list of the committees. For any question, call Karen at home 357-9108, office 786-5505, and pager 866-3109. Need chairmen for many of the committees.

OLD BUSINESS:

If there are any complaints on the Rails to Trails, they need to be in writing for the board meetings. Contact Amy Kurtenbach at 786-5472 for questions and concerns.

Pam and Patty Mathews are participating in the Helo training on August 28, 1999.

Steph Clark and Alan Graley are interested in the leadership position. Both will be interviewed.

Those still interested in qualifying at the firing range are to meet on September 30, 1999 at 1600 hours. A new schedule was distributed to all interested parties.

NEW BUSINESS:

Margie, Steph, Joyce, and some others worked up By-laws for the Mounted Patrol. It was discussed and revised. Margie will update it and new copies will be passed out before the next meeting.

There will be a "membership meeting" at the Rusty Spur to see if the interest is there for a consortium of sorts to own and maintain the stables. The meeting will be on August 31, 1999 at 7:00pm.

Next meeting will be September 28, 1999 at the Courthouse, 7:00.
