Ken – no report on trail ride. Information on Wind River, it is moved to Rock Creek Center at Stevenson. Have reservations for 10 and some on standby. Camping space is 12 per night. Most will be in motels. Passed out information on 24-hour pack. Mock search is April 7,8,9. Call people on Friday for Saturday dispatch. Sam will help setup search in place of Ken. This is county wide. Ken has schedule for first aid classes.

Carolyn – Historian is getting started on a book. She needs dates and original members. Would also like a mission statement from Gary.

Margie- Give times sheets to Margie before they go to Tim. She wants to chart the time spent. She also has a simpler form. She presented some dolls for the Search and Rescue teams that have clothes and other accessories to help make mock searches more fun. Some area are not open, can we maybe get them opened? We have 88.75 volunteer hours this month.

#### OLD BUSINESS:

Alan talked about getting a packet together for new members. Charlie will work on this, as she is new. It should include required training, timesheets, equipment, polices and procedures, etc.

Northwest Horse Search and Rescue has a packet and training list. They are out of Everett and Snohomish County.

We will have a tour of the EOC on Tuesday March 14, 2000 at 7:00 with Ken Parish. There were some comments on his talk at last meeting.

Need to set some goals for the group. Joyce will chair committee and Pam, Pam, Patty; Margie will work on it. Please call Alan if you have a guest speaker so they can be up on the agenda.

Tim- self defense for sometime in June or July, probably on a Sat. and Sun. this year. How about a mock search out of county? Thinking exercises as well. Can everyone bring his or her packs next meeting?

#### Guest Speaker:

Jane Snow from H &R Block spoke on deduction for income tax. Must make sure the deductions are related to this. Mileage is the biggest deduction.
