Marge and Sam were called out. We really need to find more radios.

OLD BUSINESS:

Ride – exceeded money from last year. Ken thanked everyone for helping. The food was excellent and kitchen help was great.

ALAN is going excellent! He is talking good and able to get out and is hoping to go camping this weekend even if he can not ride. He will need a “stem cell” transplant.

NEW BUSINESS:

Joe got some flashlights for the saddlebags. He will try to get some flexible canteens next time he “goes shopping”. He thanked everyone also for helping on the ride.
