

MINUTES FOR 9-25-2001

Meeting was called to order at 7:00pm. Minutes approved as written. There was no Treasures report.

A big welcome was extended to Jason Kinkela. We explained what we do.

MOUNTED PATROL:

We need to talk to Heernet Foundation about access to the property.

SAR:

Council meetings are the first Tuesday of each month at 7:30pm.

OLD BUSINESS:

Fair – think we made about \$380.00. Chris is checking in to getting radios for each family. Chris is trying to get an academy established for mounted patrol member. It would be a must for all new members. Sam will check with the TRAILS about security for rodeos.

NEW BUSINESS:

It was brought up about helping at the Mall for Christmas shoppers. Sam will talk to folks about it and get back with more information at the next meeting.

Elections are coming up in November.

Do we want to do something for the holidays?

CHRIS:

Academy – It would include everything needed to be a member; laws we should know, first aide, policy, procedures, guidelines, radio use, a limited introduction to helicopters, and maybe some advanced classes for those what want to do Search and Rescue.

Sent a memo regarding the radios and it is now waiting to be looked into.

There may be something in the works about helping out Fort Lewis. They have a new provost marshal.

Concealed weapons- must have a permit and qualify on the course, and then you can carry one on patrol. A discussion followed about the weapons. **MUST HAVE THE PERMIT ON YOUR PERSON IF YOU CARRY THE WEAPON.**

Sandy to bring goodies next month.

Patty Mathews,
Sect.
