Welcome to Steph Clark, Connie Patterson, and Joyce Bell with the Hooved Animal Rescue.

SAR:

On Oct. 27th OSAR has an all day class on evidence search. It starts at 9:00am. In January, they will host a conference for SAR certification at the Fair grounds. Members but be certified every 2 year for Search and Rescue. No new information on radios yet.

MOUNTED PATROL:

There's nothing at this time. Turn in your time sheets.

OLD BUSINESS:

Holiday party will be held on December 18, 2001 with a potluck and gift exchange. The gift exchange will be either hand made items, or white elephant. Motion made and 2nd to have the patrol buy the ham and turkey, carried. Joyce and Chris will do the turkey and dressing, Ken and Carolyn will do the ham.

Talked about security at the mall. Voted not to.

The Hooved Animal Rescue of Thurston Co. did a presentation. They are looking for members, help, and/or barn space for rescued animals mostly horses.

CHRIS:

Certification records need to be on file with Ken and Chris. Bring copies of first aide cards to next meeting. Remember the by-laws regarding attendance. Passed out a copy of what he would like the academy to do. If you have any more suggestions, get them to Chris before the next meeting. We have new time sheets that are much simpler to complete. The codes for the sheets are as follows:

Routine patrol-7; meeting-11; training-12; office or anything else-17

Put on the back what you did for the corresponding day.

If there are more than 2 volunteers for president, the advisory board will decide. President will appoint other officers.

Pam and Patty will bring goodies for Nov.
