PATROL:

Chris got permission to ride on all DNR lands year around. Pam and Chris will get some maps.

OLD BUSINESS:

Jackie granted 6 months leave of absents. Sheriff's ride going well. Do need someone there Friday to answer questions and, hopefully, do some early registrations. Will also need kitchen help, sweep riders (Russell's?) and some other help. Looks like we may have a big turnout. There will be a dinner/dance Friday night. There is another trailer raffle and we should get tickets soon. Get donations for the table. We may want to move the June meeting to before the ride.

Fair, ADA ride, Capital Mall- no new information. Chris will be meeting with the parking people for the fair.

Dave brought in an outfit that will work well for parades. Centerville will give Mounted Patrol 20% off. The outfit should cost about \$150.00 total. We will have a Bolo type tie. We can make our own. Moved, 2nd, and carried for group to purchase bolo ties, about 20 @ \$5.00ea. Radios- need to get money from council and get the batteries and chargers picked up. Don't know who is going to get them yet.

Ken will check and see if we can get the yellow jackets unlined.

NEW BUSINESS:

Pam will check the entry date for the parade on July 4. Already able to get a set of flags and we will need a clean-up crew.
