PATROL:

Call in at 704-2741 and give your name, unit, Henry number, and where you are riding from, and that you do not need status checks. Wear your uniform. Call when you get back. We have the DNR maps and we will see which ones we need more of. DNR still has some color maps of Capital Forest for \$2.00 each but they are going very fast. Radios are done and will be passed out in June.

SAR:

Mock search had a good turnout for us with eight people attending, seven of which rode. Ken attended the critique meeting after the search.

OLD BUSINESS:

Karen Daniels did not make the meeting, but we discussed the ride and riders to mark trails. No new information on the yellow jackets or parade uniforms. Coats are still back ordered.

NEW BUSINESS:

Moved, seconded, and carried to accept Ken Addudell's request for leave of absence until November 2002. Moved, seconded, and carried to move the June meeting to the 18th so it can be held before the ride.

Sam, Joyce and Chris went to the SAR conference. Sam gave us an update. There was a group that gave a demo, but Sam said we do a lot better. The conference will be in Spokane next year. They also went to see the Seattle Police Dept. horse patrol unit.

Sheriff Edwards came by to say he was sorry to have missed everyone at the qualifications.

Will Chris allow us to qualify for rifle and shotguns?

Sam and Jaimie to bring goodies next meeting.

Patty Mathews, Sect.
