Sam bought 2 flag boots for parades. It was moved, seconded and carried to repay him.

SAR: The last 2 council meetings were canceled. Qualifications will be on Wednesday and not Friday. Be there at 6:00pm. There was a callout for 2 women lost in Capital Forest, 6 riders were there with more on call for morning. It went real well.

MP: Wagon train- report was given on the trip. It gave us a lot of good exposure and good will. An observation, the general public is ignorant of horses.

OLD BUSINESS: Parade uniforms were discussed hold off for now. Talked about matching saddle blankets or covers. Jason will get some price quotes. Patty will try to bring in a catalog of the coats.

ADA ride- Chris, Joe, Joyce, Sandy, Patty, and Mike should be there at 7:30pm. We will be on duty from 8-11 to patrol the camping areas. Bring your flashlights. Mike brought the flashing lights that some folks had ordered.

FAIR- set the riding schedule for the fair. The Rochester FFA kids are in charge of parking. There should be an area set aside for us to park. Take radio and use TAC 5 for fair work. Call the COMVAN and advise when arrived and are on patrol. Be sure to use your Henry number.

SHERIFF'S ride went well. There were not serious injuries. Karen Daniels came for suggestions and how to improve things for next year. We made over \$16,000 this year. Next years ride will be on JUNE 14, 2003. It is a week earlier.

NEW BUSINESS: Carolyn brought the photo album for updates. Mike has picture embroidered on his vest, we can get it done for about \$10.00 each.

CHRIS: Passed around stickers can have a banner made also. These are black and white, much cheaper than color. Maryanne knows someone who would do a banner; we would only have to buy the vinyl.

Joyce will bring goodies next meeting.
