MOUNTED PATROL:

Sandy gave a report on the ADA ride. It went real well.

Pam gave a report on the Fair. We generated a lot of good will. Need to get more brochures printed.

SAR:

The outstanding check was voided by the president of the SAR council as he thought it was unreasonable to have to wait so long for results. Joyce passed around an updated call out list. Please check the information for accuracy.

OLD BUSINESS:

Send a letter to Jackie Johnson about her ALOA. A list will be sent to all members about parade uniforms. Please vote and send to Chris. Can not wear red or khaki and must be professional looking. Has to be different than the working uniform per the Sheriff. All must match. The vest may be a problem for some people. Patty forgot the brochure for the coats and Chris forgot the information about the stickers and decals.

NEW BUSINESS:

Ken thanked everyone for the card. He presented an idea for a fund-raiser. Ken is going to hold a 2-day seminar on how to pack. It will be \$150.00 per person and only have between 10-12 people per class. The 2nd day will be hands on. Ken will make lunch the first day and maybe we can get some of the other horse groups to handle lunch the next day. If he gets enough interest, \$100.00 from each registration will go to the club. It was moved, 2nd and carried to support Ken in the class. Moved, 2nd, and carried to use the treasury to back for funds until all registrations are in.

A Jeep Patrol member has a 40-watt mobile radio, antenna, etc. already mounted for \$100.00. ESAR also has one but it costs more and is not mounted. Moved, 2nd, and carried to purchase the one from Jeep Patrol.

CHRIS:

ESAR gave us the use of a base station. Jason and Anna have agreed to have it in their home. Anna will monitor. We can have another channel programmed into it. There is no monetary cost to us. We'll get radio watch to set it up.

Carrie was in a car accident 8/3/02. Send her a card. Send thank you letter to ESAR.

Jason and Anna to bring goodies for next meeting.
