This would be a good opportunity for practice in radio procedures. They will have classes for those who want to help out. Please call Dave at 456-2909 for more information.

Mounted Patrol:

Watch out for hunters when riding; might want to wear traffic vest if you have one. DNR keys were issued to the officers. Chris is working on the brochures.

ALOA: Connie Patterson resigned, Jackie Johnson moved back East, Joyce Bell was dropped.

Parade Uniforms – passed out an advisory of the ballots that were returned.

Ken's fund-raiser is a go. Shooting for the second or third weekend of January. It will be in an indoor arena. Lunch will be provided.

There will be a chili feed as a fund-raiser for OSAR on October 12, 2002. The location will be announced.

New Business:

If you have a placard, you do not need a DNR sticker. Chris will try to set up a horse extraction class through Grand Mound Fire Dept. It was moved, seconded and carried to change the December meeting to the 17th. We will have our Christmas Party then.

Marianne will be chairman for the Christmas Committee.

Special Olympics:

Marianne brought back ideas from the meeting. They liked our ideas and would like us to have a booth there with brochures. They seemed to have covered all the areas we had concerns about. Gordon has resigned, but will still be attending the meetings. Marianne will bring back more information and pledge sheets.
