Moved, 2nd and carried to reimburse Joyce for flag. A phone survey had 89% approval to purchase the flag and patches.

We have received some new (to us) radios for the Explorer SAR group that was disbanded. We received 6, 3 are programmable and 3 are not. Discussion followed regarding batteries.

MOUNTED PATROL – A list was read of all those that participated in the Grand Entry and did security at Trails End for the rodeo. Sam drove one day for Jeep Patrol and had a good time. He went about 150 miles. **Please complete your time sheets in pen and the total hours must equal on both sides. BE SURE TO SIGN IT!**

SAR – Election month for council. They are looking for a secretary and treasure. They need a COM van driver and are looking to purchase a 20ft cargo trailer. The council is also planning to look at and maybe re-write their vision statement and direction. Joyce needs to turn in training records. The council is giving us another radio like the one we got from Mr. Tippins. There will be a mini-conference sometime in February. We have a copy of OSAR's 4th ¼ training calendar. Karen will be holding a wilderness survival class some time after the first of the year. This is an excellent class.

OLD BUSINESS – Mike brought the things we asked him get for us. Chili feed did not have a good turnout. Karen has some to sell. Marianne passed around a sign-up sheet for the Christmas party potluck. By a show of hands, we will have a gift exchange. Please bring your own plate and flat ware. It was moved and 2nd to purchase a coat for Marianne, motion withdrawn as Mike will give his coat to her. He will look into other options that all can agree on for additional coats. We have \$260.00 from the council to purchase them. He will bring some ideas and options to the next meeting.

NEW BUSINESS – It was moved, 2nd and carried to buy batteries for the 3 GE radios. The rodeo promoter would like us to be a named sponsor. We wouldn't have to do anything but the security we are doing now and we would get a percentage of the gross ticket sales. He wants a telemarketer to do the ticket sales and they won't do it unless he is affiliated with a Sheriff's organization. We will wait until after the election and the promoter can come to a meeting. Elections are coming up. Send a letter to Chris if interested in the position of President.

CHRIS – He is trying to get a horse extraction class set up for a Saturday in November, if not it will be in January. Hopefully it will be at Felicity Farms. Need to approach another vender about the decals. The brochures are being changed and updated with current photos and information.

If someone asked you your authority, you may give this reply, “I’m a volunteer with the Sheriff’s Office and have been asked to contact the Duty Officer to handle any problems that arise.”

OTHER – Pam and Patty will bring treats next month. Be sure to check out the flag.
