On 3/26/03 Sam and Jaimie were at the Dairy and Ken, Carolyn, Mike, Jason, Patty and Pam were at the parking lot.

OLD BUSINESS: Sam will get Steph's coat. Sheriff's ride – they want us to patrol the trails during the ride as well as get the riders out. They are anticipating twice as many riders this year. MaryAnne will bring flyers and sign up sheets to next meeting. Pam will set up a meeting with Ron Nelson, Ken, and Barry.

CHRIS: It looks like we are in a catch 22 situation with patrolling. Barry will send a letter to Chief Petrie asking for clarification in writing or to come to our next meeting. He will have the officers sign it. Hopefully, this will give us an outline of what we can and can not do.

NEW BUSINESS: Barry received a letter from South Union Grange asking for member of the Patrol unit to come and let the Grange know what we do. Barry will attend the meeting on 5/19/03.
