SAR: Team was called for an urban search. Pam has been selected to be the new Treasure for the Council. The council will have their August meeting.

Old Business: Richey Brothers auction June 17,18, 2003. Need help for it. Received a letter from Chief Petrie that was read. Discussion followed as what to do next. It was moved, seconded and carried to remain as a unit with our main function as SAR, meet quarterly, and re-evaluate at the end of the year. We will try to get Chief Petrie to the October meeting. We can do Richey Brother Auction and the Special Olympic Ride as mounted patrol members. We will meet in July, October, and December. The July meeting will be for the Special Olympic ride. Pam will call for members to help at Richey Bro.

Barry to bring goodies in July.

Patty Mathews, Sect.
