Jeff has not had time to check on the tire repair kits.

New Business: Sam and Sandy have resigned effective in July. The officers meeting and discussed new regulations for new members requiring 30 hours on the CWT per year, and horse qualification, what do we want added to them? Members suggested "drums/loud music".

Sheriff's ride was discussed. Communications problems were discussed. Ken said that most of our problems were discussed at the committee meeting and will be taken care of next year. The injured rider was not seriously injured. Suggested we only do trail marking, parking and sweep riding as we are limited in people to have any out on the trail during the ride. Could we have 4 sweep riders instead of 2 in case of problems next year? The state of the trail was also discussed and if DNR will allow the ride next year.

Bring radios to next meeting since Chris is not here.

Sharon will bring treats.
