

The meeting was called to order at 7:00pm. Roll call found Randy, Marlin, Sharon and Jason absent. Minutes were approved as written.

Welcome to Kevin O'Sullivan.

TREASURE: Interest of \$0.62 was earned, savings balance of \$805.43; from the debit card \$49.97 for web site name and monthly fee. There is one check outstanding. Joyce will check with the council to see if it was lost. Checking balance is \$5183.21 for a total account balance of \$5988.64.

MP: Jason is stuck in Seattle. Don't forget parking and dairy at Richie Bros. tomorrow and Thursday. Jason will need to get a schedule to someone else, i.e.: the president, in case he can't make a meeting so everyone knows when he or she is to be there.

SAR: Mini-SAR is April 8, all classes are full. Helicopter class was canceled. The Mock Search was changed to April 28-30, 2006.

Kevin O'Sullivan spoke on the critical area ordinance and answered questions.

CHRIS: Chris passed around an updated roster. The horse qualifications have been changed to May 6, 2006 at Jason's.

SHERIFF'S RIDE: The sheriff expressed his gratitude to all members via Karen Daniels for all our help with the Ride. Everyone will be on the same frequency, jeep patrol, EMS, and MP. The trail markers will have sequential numbers and be posted every ¼ mile. This should make it easier for everyone to know where they are in case of an emergency. Jeff is in charge of getting GPS coordinates on the maps. We would like to have at least 8 people to ride on the trails and go out at staggered times. These would include the sweep riders. A sign-up sheet was passed around.

JEFF: Jeff gave an update on the web site. It is up and running. We now have e-mail through the web. Those of you with COMCAST will be on a different server. Jeff went over the instructions for those people. He also handed out individual passwords. If you have any questions or comments, get with Jeff.

OLD BUSINESS: Do we want business cards or base ball type cards? Most seem to like the idea of baseball type with the horses included. Jeff will get with Carrie. Karen will see about getting someone to donate the printing.

NEW BUSINESS: Please see the calendar of events attached. This is a work in progress.

Next meeting is April 25, 2006. Treats are Ken and Carolyn.

Happy Anniversary to Toni and Paul!!!

Patty Mathews, sect.
